PRIVATE LESSON REQUEST

Theatre Ventures International Ballet School (TVI) provides private training for students enrolled in TVI programs.

Private lessons are available to any currently registered student at \$100/hour. These are scheduled as studio space permits and teachers are available.

Private lessons are tailored to the student's specific needs and can cover a wide range of topics: flexibility and strengthening, choreography, variations, pointe work and various techniques for turns, jumps and technical precision in dance movement.
